ARTICLE V
GRIEVANCE PROCEDURE

A. Purpose

The parties agree that it is in the best interests of the academic community that all grievances be resolved promptly, fairly and equitably. To this end, relevant and necessary public information, material and documents concerning any grievance shall be provided by the Association and the University upon written request to the other. This entitlement to information does not include the use of written questions directed to individuals where relevant and necessary information sought can be obtained from witnesses or the University representatives who attend a grievance hearing.

The following procedure, which may be initiated by a bargaining unit member and/or the Association, shall be the sole and exclusive means of seeking adjustment and settling those allegations grievances which are grievable under this Article in cases where the parties are entitled to have the grievance determined through binding arbitration at the final step.

The parties recognize that a bargaining unit member may have rights arising from sources other than this Agreement, and nothing herein shall be construed to prevent any action brought pursuant to such rights where the final step on a grievance is not binding arbitration.

B. Definition of a Grievance

A grievance is an allegation by a bargaining unit member or the Association that there has been:

1. A breach, misinterpretation or improper application of the terms of this Agreement, including the Appendices, or a violation of applicable written University promotion or reappointment procedures, discipline imposed upon bargaining unit members, including, but not limited to, discipline (including termination of librarian unit members) imposed for an asserted breach of University regulations or policies, or a proposed suspension of up to thirty (30) days for medical faculty unit member and for librarian unit members. No such suspension shall begin to run until twenty one (21) days after the affected unit member has, or reasonably should have gained, knowledge of the proposed suspension or, if such person grieves the suspension, until after the Step One determination. In no event shall such a suspension serve to terminate or limit in any way the hospital privileges of unit members, which privileges may be suspended or terminated in conformance with the applicable hospital bylaws.
2. An arbitrary, capricious or improper application of, or failure to act pursuant to other written policies, rules, or regulations of the University, or statutes, which prescribe terms and conditions of employment, which are matters that intimately and directly affect the work and welfare of the employees and which do not significantly interfere with inherent management prerogatives pertaining to the determination of public policy.

3. Notwithstanding the foregoing, the following matters shall not be grievable:
   a. Termination of medical faculty unit members for cause, which shall be subject to the procedure set forth in Article XXV;
   b. Letters of reprimand/warnings;
   c. Discipline imposed pursuant to University policies which have been arrived at by negotiation between the University and the Association and which set forth alternative procedures for affected faculty unit members to appeal disciplinary action imposed upon them. The sole method for appealing such discipline is the one specified in each policy; and
   d. Termination at will, as provided in the University Bylaws, for qualified title faculty unit members; and
   e. Any matter to which the parties have agreed in this contract shall be determined at the discretion of the University (or any designee of the University).

C. Preliminary Informal Procedure

A bargaining unit member may orally present and discuss a grievance with his or her department Chairperson or for librarian unit members his or her campus library director on an informal basis. At the bargaining unit member's option, he or she may request the presence of an additional faculty member or librarian as appropriate. D. Formal Steps

1. Step One

Within fourteen-twenty-one (1421) calendar days after the event or occurrence, or the date on which the aggrieved party first gained or should reasonably have gained knowledge of the event or occurrence, the aggrieved party shall present the grievance in writing to the appropriate Dean or, for librarian unit members, to the University Librarian, with a copy to the Office of Labor Relations; Senior Vice President Health Sciences, and to the Association, on the form agreed to by the Association and the University. The Dean or the University Librarian shall discuss the grievance with the grievant and render a decision to the grievant within twenty-one (21) days after receipt of the grievance.

With respect to any grievance brought under B(2) above, if the grievant is not satisfied with the disposition of the grievance at Step One, brought under B(2) above, the Association, as representative of the bargaining unit member, may, within seventy (70) days from the date the grievant received the decision at Step One, appeal the decision at Step One to the University Librarian; appeal the decision at Step One to the Senior Vice President Health Sciences of the University. The decision of the Senior Vice President Health Sciences shall be the final step of the grievance procedure within the University for grievances brought under B(2).

2. Step Two

If the grievant is not satisfied with the disposition of the grievance at Step One, the Association, as representative of the bargaining unit member, may, within seventy (70) days from the date the grievant receives the decision at said Step One as to a grievance brought under B(1) above, and upon written notification of intent to arbitrate to the State of New Jersey Office of Employee Relations by certified mail with a copy to the Assistant Vice President for Labor Relations;Dean or University Librarian, appeal the decision at Step One to arbitration.

The parties shall mutually agree upon a panel of three (3) or more arbitrators. Each member of the panel shall serve by random selection as the sole arbitrator for a case or cases. The arbitrator's daily fee shall not exceed $1,000 and his/her cancellation fee shall not exceed $500. When a member of the panel is unable to serve, another member shall serve by random selection. The University and Association may remove any member of the arbitration panel through written notice to the other, provided that the arbitrator shall finish serving as arbitrator on any matter for which s/he was selected to so serve but has yet to render a final
decision; unless both parties agree to remove him/her before such time. In the event the parties agree on less than three (3) arbitrators, those arbitrator(s) agreed upon by the parties shall serve by random selection until such time as the parties are able to agree upon a full complement of three (3) or more arbitrators. In the event that the parties are unable to agree upon any arbitrators, arbitrators shall be selected on a case-by-case basis under the selection procedures of the Public Employment Relations Commission until such time as the parties mutually agree upon a full complement of three (3) panel members.

The arbitrator shall conduct a hearing and investigation to determine the facts and render a decision for the resolution of the grievance. An arbitrator’s decision shall be binding. In no event shall an arbitrator’s decision have the effect of adding to, subtracting from, modifying or amending the provisions of this Agreement, or any policy of the State, or the University. The arbitrator shall not substitute his or her judgment for academic judgments, including medical, professional or clinical practice judgments, rendered by the persons charged with making such judgments. The arbitrator making a binding determination of a grievance has the authority to prescribe a compensatory award to implement the decision and shall set forth the reasons for the award.

If the grievant is not satisfied with the disposition of the grievance at Step One, brought under B(2) above, the Association, as representative of the bargaining unit members, may, within thirty (30) days from the date the grievant received the decision at said step of a grievance brought under B(2) above, and upon written notification of intent to appeal to the Dean or University Librarian, appeal the decision at Step One to the Deputy Vice President, Health Sciences of the University. The decision of the Deputy Vice President, Health Sciences shall be the final step of the grievance procedure within the University for grievances brought under B(2).

If one of the issues before the arbitrator is timeliness, the arbitrator must first render a decision on that issue, which shall be rendered the day of the hearing if possible. A subsequent day of hearing shall occur only if the arbitrator determines that the matter has been timely filed.

Only the Association shall have the right to invoke arbitration.

Any arbitrator costs, fees, and/or expenses resulting from the arbitration shall be shared equally by the parties except that a charge for a late cancellation shall be borne by the party requesting the cancellation. If the late cancellation was mutually agreed upon in writing by the University and the Association, then the cost shall be shared equally.
Either party may make a verbatim record through a certified transcriber. Such record is to be made at the requesting party's expense. However, if both parties want a copy of the transcript, the cost of the transcript and the reporter shall be shared equally between the parties. The cost of any transcript (or copy of any transcript) requested by the arbitrator shall be shared equally between the parties as well.

Any other cost of the proceeding shall be borne by the party incurring the cost.

The arbitrator making a binding determination of a grievance has the authority to prescribe a compensatory award to implement the decision and shall set forth the reasons for the award.

Arbitrators shall be selected on a case-by-case basis under the selection procedures of the Public Employment Relations Commission.

E. Resolution of Grievances Concerning Promotion and Reappointment

4. Matters pertaining to promotion and reappointment of faculty unit members shall be grievable under this Agreement only upon the basis of claimed violations involving discriminatory treatment in violation of Article III, Section 1 or claimed violations of applicable written University promotion or reappointment procedures. In all such cases the burden of proof shall be upon the grievant and the decision shall not be set aside during the process of the grievance. In no such cases may an arbitrator order promotion or reappointment of a grievant. Rather, where appropriate, the remedy shall be to remand the matter to the proper level of the involved School for elimination of defects in the procedural process.

2. Where a matter is remanded pursuant to subparagraph 1 above, the arbitrator may, where appropriate, direct that the President of the University, in consultation with the Association, appoint an ad hoc review committee to substitute for any individual or committee which had been involved in the previous promotion or reappointment action. The purpose of such ad hoc committee will be to consider the involved matter and elimination of defects in the procedural process or elimination of impropriety in the decision making process and to make its recommendations concerning the involved promotion or reappointment matter to the individual or Committee having original jurisdiction.

F. Time Limits

1. In the event that the time limitation imposed under Step One as to discussion, hearing and decision are not complied with, the grievance shall, upon request, be moved to Step Two.
2. Where the subject of a grievance suggests it is appropriate and where the parties mutually agree, the Assistant Vice President for Labor Relations/Senior Vice President Health Sciences may substitute for the Dean or University Librarian (or his/her designee) in Step One of the process.

3. No adjustment of any grievance shall be imposed retroactively beyond the date on which the grievance was initiated or the four hundred twenty-one (1421) day period provided in section D(1) above except that payroll errors and related matters shall be corrected to the date of error.

4. Time limits provided for in this Article may be extended by mutual written agreement of the parties at the level involved.

5. If the University's decision at Step One is not appealed within the appropriate time limits, such grievance will be considered closed and there shall be no further review or appeal.

G. Representation

The grievant may be represented by the Association Representative at Step One of the Grievance Procedure. No more than two (2) Association representatives may be present at any time and no Association representative will permit attendance at hearings to interfere with obligations to the University. Where more than one Association representative is present, only one shall act as spokesperson for the grievant.

H. Nothing in this Article shall be construed as compelling the Association to submit a grievance to arbitration.

I. No reprisal of any kind shall be taken by either party against any participant or non-participant in this grievance procedure by reason of proper participation in such procedure.

J. Grievance records shall not be part of the permanent personnel file utilized in the promotion or retention process unless such grievance records pertain to the matter under consideration.

K. Reference to days in this article means calendar days.

ASSOCIATION RIGHTS

A. The University agrees to provide to the Association space to conduct official meetings providing said space request does not interfere with normal University operations. The University may charge the Association for such use at a rate not to exceed that charged to the academic departments for the same use.

B. Recognizing that Association officers are exercising a legitimate professional concern and contributing to the academic community, the University agrees to notify all Deans, department Chairpersons and library directors of the names of such bargaining unit members and request that their responsibilities be considered when duties are being assigned. Copies of these memoranda or letters informing the Dean and Chairpersons shall be sent to the bargaining unit members and the President of the appropriate Association Chapter. Except as provided in this Agreement, however, no bargaining unit member may engage in Association activities during the course of his or her officially assigned academic obligations.

C. Association representatives shall be permitted to transact official business on University property at reasonable times provided that this shall not interfere with or interrupt normal University operations, and provided further that timely request for such utilization is made in advance.

D. The Association shall have the right, in accordance with University procedure, to make reasonable use of University duplicating, computing, office and audiovisual equipment.

E. The Association shall be notified in writing of all new faculty appointments within thirty (30) days after their approval by the Board of Trustees of the University. The Association shall be notified of new hires of librarian unit members within thirty (30) days of the date of hire.

F. Any change in the amount of the Association’s professional dues shall be certified to the University by the Association at least thirty (30) days prior to the pay cycle in which the new amount is to apply. There shall be no requirement for an additional authorization for the deduction of the new amount. Deduction of Association professional dues made pursuant hereto shall be remitted to the Association at the end of the calendar month in which such deductions are made, together with a list of bargaining unit members from whose pay deductions have been made. eligible to withdraw dues deduction authorization for the Association only as of January 1 or July 1 of each year provided the notice of withdrawal is filed timely with the responsible payroll clerk.

G. Representation Fee

1. Subject to section G.5 below, the parties agree that the current representation fee contained in the prior collective bargaining agreement shall be continued for the duration of this Agreement. Nothing herein shall be deemed to require any bargaining unit member to become a member of the Association.

2. The representation fee in lieu of dues shall be in an amount equivalent to the regular membership dues, initiation fees and assessments charged by the Association to its own members less the cost of benefits financed through the dues, fees and assessments and available to or benefitting only its members, but in no event shall such fee exceed 85% of the regular membership dues, fees and assessments.

3. New bargaining unit members who are Association members shall be required to pay the established representation fee in the first payroll period following thirty (30) days of employment.

The representation fee shall be withheld from the regular biweekly paycheck and remitted to the Association at the same time and in the same manner as monies collected for dues. The Association shall notify the University in writing thirty (30) days in advance of the requested date of change of the amount of regular membership dues, fees, assessments and representation fees.

4. The Association agrees that it will indemnify and hold the State and/or the University harmless from any claims, actions or proceedings brought by any bargaining unit member in the negotiations unit which arises from deductions made by the University in accordance with this provision. The State and the University shall not be liable to the Association for any retroactive or past due representation fee for a bargaining unit member who was identified by the University as excluded or in good faith inadvertently omitted from deduction of the representation fee.

5. Demand and Return

The representation fee shall be available only if the procedures listed hereafter are maintained by the Association.

a. The Association shall return any part of the representation fee paid by the bargaining unit member which represents the bargaining unit
member's additional pro rata share of expenditures by the Association that are either in aid of activities or causes of a partisan political or ideological nature, only incidentally related to the terms and conditions of employment, or applied towards the cost of any other benefit available only to members of the Association.

b. The bargaining unit member shall be entitled to a review of the amount of the representation fee by requesting the Association substantiate the amount charged. This review shall be accorded in conformance with the internal steps and procedures established by the Association.

c. The burden of proof under the Demand and Return system rests upon the Association.

d. A bargaining unit member dissatisfied with the Association's decision may appeal to the three (3) member board established by the Governor of the State of New Jersey under NJSA 34:13A, as amended.

e. The Association shall submit a copy of its review system to the University. The deduction of the representation fee shall be available only if the Association establishes and maintains this review system.

f. It is understood that the implementation of the agency fee program is predicated on the demonstration by the Association that more than 50% of the eligible bargaining unit members in the negotiation unit are dues paying members of the Association.

If at the signing of this Agreement the above percentage has not been achieved, the agency fee plan will be continued through pay period 26 of the calendar year, after which it shall be discontinued unless the minimum has been achieved prior to that occurrence. Thereafter, if the minimum percentage is exceeded on any quarterly date; i.e., January 1, April 1, July 1, or October 1, the agency fee plan shall be reinstated, with proper notice to affected employees.

In each year of the Agreement on July 1, an assessment shall be made to determine if the minimum percentage has been exceeded. G. Provisions in this clause are further conditioned upon all other requirements set by statute.

H. Except as limited by the specific and express terms of this Agreement, the Association retains and reserves unto itself all rights, powers, authority, duties and responsibilities conferred upon or vested in it by law and the Constitution of the State of New Jersey and applicable State and Federal law.

I. The parties recognize the valuable assistance to be gained from effective communication between the Association and the University. Accordingly, it is agreed that the University and the Association will meet as necessary regularly to resolve problems of mutual concern to the parties but no more often than semi-annually unless the parties mutually agree in writing to meet more frequently.

a. The Association may have no more than four (4) representatives at a meeting. The Association must provide the University a list of any employees it wants to attend the meeting as one of its three (3) representatives at least fourteen (14) days before a meeting.

c. A written agenda specifying the issue(s) to be discussed at the meeting must be circulated among the parties at least fourteen (14) days before the meeting date. No issue shall be discussed at a meeting that does not appear on the written agenda. Therefore, if neither party provides a written agenda to the other party at least fourteen (14) days before a meeting, the meeting shall be cancelled and no other meeting shall take place during that half of the year unless the parties mutually agree in writing to again try to meet during that half of the year.

d. It is understood that these meetings are not intended to bypass the grievance procedure or to be considered negotiating meetings but are intended as a means for fostering harmonious relations.

J. The Association shall be permitted to post notices of its activities and matters of Association concern on one bulletin board in each department. As a matter of courtesy, the Association shall provide the Campus Human Resources Office on each campus with a copy of all postings. The parties recognize that University property is not an appropriate place for posting material which constitutes election campaign material for or against any person, organization, or faction thereof. Any material to which the University objects shall be removed and shall be subject to discussion by the Committee established in Article VII, Section I.

LIBRARIAN UNIT MEMBERS

A. Work Load for Librarian Unit Members

1. The workload for librarian unit members shall be fair, reasonable and consistent with service and professional responsibilities delineated in the approved job description.

2. All librarian unit members are exempt salaried employees with a 37.5-hour workweek. All librarian unit members shall be scheduled on an equitable and rotating basis to work weekend days. Campus Library Directors shall grant appropriate compensatory time off for assigned hours scheduled and worked beyond the 37.5-hour workweek.

B. Seniority for Librarian Unit Members

1. Accrual: Seniority will be credited from the date of hire or rehire to all regular full-time or part-time librarian unit members upon the successful completion of their initial probationary period.

2. Loss of Seniority: A librarian unit member’s seniority shall be broken by resignations, dismissals from employment, or other types of terminations, layoffs of more than one (1) year or refusal of a suitable position while on recall from layoff.

3. Layoff: Layoffs shall be administered in accordance with University policy except as stated below. Seniority will prevail on layoffs due to lack of work in the job classification, efficiency reorganization or reductions due to economic considerations. Seniority will prevail on call backs within one (1) year from layoff.

A layoff shall be effected in the following manner:

a. Filling a vacancy at the RowanSOM Library of the University Libraries.

b. Bumping into a position at the RowanSOM Library of the University Libraries.

A list of vacant positions will be available for review in the Campus Human Resources offices.

Within their respective departments/work units, librarian unit members shall not be laid off before temporary or probationary librarian unit members in the same job title, that is, Librarian I, II or III.
Librarian unit members affected by a layoff may exercise bumping rights within their job title within the Rowan University Libraries. Bumping rights shall be exercised in accordance with the provisions of this Article. Librarian unit members choosing not to exercise their bumping rights remain eligible for recall consistent with the provisions of this Article.

Librarian unit members shall serve a probation period of ninety (90) days in a new position whether such placement is due to filling a vacancy, exercising a bump, or as a result of a recall, except that an employee who bumps or is recalled into the same job title within the same department shall not be required to serve a probation.

Probation can be extended, at the option of the University, up to an additional ninety (90) days. Failure of a librarian unit member to satisfactorily complete the probation period shall result in the termination of the librarian unit member being placed on a recall list for up to one (1) year. If the librarian unit member is recalled and again fails probation, such librarian unit member's employment at the University shall be terminated and all layoff and recall rights shall cease.

All librarian unit members shall be covered by the layoff policy regardless of salary range, consistent with the following provisions:

a. Librarian unit members employed under a J-Visa shall not be eligible for coverage.

b. Librarian unit members employed under an H-Visa shall have bumping rights only into the same job classification.

The University will provide a minimum of fifteen (15) working days notice of layoff to any librarian unit member affected.

C. Probationary Period for Librarian Unit Members

All librarian unit members shall serve a one hundred and eighty (180) calendar day probationary period following their initial date of hire.

The University reserves the right to extend the initial probationary period up to an additional thirty (30) days for full- and part-time employees. A librarian unit member's employment may be terminated at any time during the probationary period. Such decision shall be final and binding, and not subject to the grievance procedure.

Probationary librarian unit members will be eligible to use accrued sick leave after thirty (30) calendar days of employment and other accrued leave time after ninety (90) calendar days of employment.
D. Attendance Control Policy for Librarian Unit Members

Librarian Unit Members shall be subject to the University Attendance Control Policy and any revisions thereto (#90-01-60-40:00) dated January 1, 2004 effective upon the ratification and approval of the Memorandum of Agreement.

ASSOCIATION RIGHTS

G. Representation Fee

1. The parties agree that the representation fee contained in the prior collective negotiations agreement shall be continued for the duration of this agreement. Nothing herein shall be deemed to require any bargaining unit member to become a member of the Association.

2. The representation fee in lieu of dues shall be in an amount equivalent to the regular membership dues, initiation fees and assessments charged by the Association to its own members less the cost of benefits financed through the dues, fees and assessments and available to or benefitting only its members, but in no event shall such fee exceed 85% of the regular membership dues, fees and assessments.

3. New bargaining unit members who are Association members shall be required to pay the established representation fee in the first payroll period following thirty (30) days of employment.

The representation fee shall be withheld from the regular biweekly paycheck and remitted to the Association at the same time and in the same manner as monies collected for dues. The Association shall notify the University in writing thirty (30) days in advance of the requested date of change of the amount of regular membership dues, fees, assessments and representation fees.

4. The Association agrees that it will indemnify and hold the State and/or the University harmless from any claims, actions or proceedings brought by any bargaining unit member in the negotiations unit which arises from deductions made by the University in accordance with this provision. The State and the University shall not be liable to the Association for any retroactive or past due representation fee for a bargaining unit member who was identified by the University as excluded or in good faith inadvertently omitted from deduction of the representation fee.

5. Demand and Return

The representation fee shall be available only if the procedures listed hereafter are maintained by the Association.

a. The Association shall return any part of the representation fee paid
by the bargaining unit member which represents the bargaining unit member’s additional pro-rata share of expenditures by the Association that are either in aid of activities or causes of a partisan political or ideological nature, only incidentally related to the terms and conditions of employment, or applied towards the cost of any other benefit available only to members of the Association.

b. The bargaining unit member shall be entitled to a review of the amount of the representation fee by requesting the Association substantiate the amount charged. This review shall be accorded in conformance with the internal steps and procedures established by the Association.

c. The burden of proof under the Demand and Return system rests upon the Association.

d. A bargaining unit member dissatisfied with the Association’s decision may appeal to the three (3) member board established by the Governor of the State of New Jersey under NJSA 34:13A, as amended.

e. The Association shall submit a copy of its review system to the University. The deduction of the representation fee shall be available only if the Association establishes and maintains this review system.

f. It is understood that the implementation of the agency fee program is predicated on the demonstration by the Association that more than 50% of the eligible bargaining unit members in the negotiation unit are dues paying members of the Association.

If at the signing of this Agreement the above percentage has not been achieved, the agency fee plan will be continued through pay period 26 of the calendar year, after which it shall be discontinued unless the minimum has been achieved prior to that occurrence. Thereafter, if the minimum percentage is exceeded on any quarterly date; i.e., January 1, April 1, July 1, or October 1, the agency fee plan shall be reinstated, with proper notice to affected employees.

In each year of the agreement on July 1, an assessment shall be made to determine if the minimum percentage has been exceeded. If it has, the agency fee shall continue until the following annual assessment. If it has not, the agency fee will be discontinued and eligibility for reinstatement shall be on a quarterly basis as provided above.
g. Provisions in this clause are further conditioned upon all other requirements set by statute.
