

NEWARK BOARD OF GOVERNORS CANDIDATE BIO

Name: Emanuel Goldman

Degree: PhD

Rank: Professor

School: New Jersey Medical School

Department: Microbiology, Biochemistry and Molecular Genetics

Years of Service: 37

Experience with AAUP (if applicable):

2016 –present: Council Treasurer

1985-present: Member, Board of Governors, Newark Chapter.

1995-present: Member, Council of Chapters.

Service includes two years as President (1997-1999), as well as other leadership and committee positions too numerous to detail here.

Area(s) of interest (for example: research in____, clinical practice, teaching, etc) Please be concise: Gene regulation in bacteria, especially protein synthesis. Co-editor of a major reference text, "Practical Handbook of Microbiology" (CRC Press)

Reason(s) for candidacy {what you expect to contribute to the organization (60 words or less):

I have served AAUP for 31 years, including 21 years on Council, and bring to the position "institutional memory", which can be valuable. As I wrote in a recruitment letter for AAUP, "Although we are academic faculty, we are not immune to the threat of arbitrary and unreasonable administrators." I will continue to protect and defend faculty from these threats.
