

ARTICLE XXIII

REDUCTION IN FORCE OF TENURED FACULTY UNIT MEMBERS

The University has no intention to, nor will it, use fiscal exigency as a subterfuge for the layoff of tenured faculty unit members.

A faculty unit member whose department is restructured in a reorganization shall retain his/her tenure rights and seniority in the appropriate recognized department to which his or her functions have been reassigned.

Within a given discipline and department, tenured faculty unit members with fewer years of full-time service and untenured faculty unit members shall be separated before tenured unit members with more years of full-time service.

Whenever, in the judgment of the University, there exists a need for a reduction in force which affects tenured faculty unit members or faculty unit members with term contracts, the President or his/her designee shall, as far in advance as possible, meet and consult with the Council of AAUP Chapters. At a meeting with the Council, the nature of the problem will be presented and potential solutions will be discussed.
